ADVISORY BOARD

PURPOSE;

The Advisory Board of the Suffolk Chapter gives advice and makes proper recommendations in the furtherance of the services that the Chapter renders to all our Councils in the interest of Columbianism, our Country, our Church and our God.

DUTIES:

The Advisory Board shall consist of the Chapter Chairman, Vice-Chairman, Secretary, Treasurer, Financial Comptroller, Advocate, Warden, Inner and Outside Guards, and two (2) immediate Past Chapter Chairman residing within Suffolk County who agree to serve. Additionally, the Chapter Chairman shall appoint four (4) members from Suffolk County at his discretion. The Chapter Chairman will appoint from the above Advisory Board a Chairman of the Advisory Board. The Board shall review and approve the operating budget prepared by the Board of Officers, in time for the voting by the Chapter Delegates at the September meeting. This budget will be voted upon as presented at the September meeting. Any amendments to this budget must be submitted in writing, presented for publication, and voted upon at the October meeting. Once the budget is approved by the general membership no committee may exceed their certain sum during the budget year. Any funds solicited for a particular purpose are general account funds.

The Advisory Board shall consider and recommend its decision to the Chapter on any fund raising plans, unusual requests for donations and any other matters referred to it by the vote of the members or by the Chapter Chairman and the Board of Officers, for such final action as the members deem necessary on these matters.

The Advisory Board shall supervise and direct the investments subject to Section 122(b) of the Constitution and Laws of the Order. The Advisory Board has taken on another responsibility in that it has discussed and will continue to discuss those matters referred to it by the membership, the Chapter Chairman, or the Board of Officers, thus eliminating time consuming and sometimes emotional and unnecessary discussion at the regular meeting. The membership can then concern itself with action on the matter before it.

The Advisory Board DOES NOT make the final decision. You the membership make the final decision.
